“THANIMA FARM LIFE - A DAY OUT TO REMEMBER!”

On July 11, Our team recently enjoyed a delightful day out at Thanima Farm Life in Nallepilly, Kerala. The day was filled with fun, bonding, and unique experiences.

We explored a variety of farm activities, including animal husbandry, connecting with exotic birds, live fishing, and visits to the cattle farm as well as friendly cats and dogs. Aquatic experiences such as swimming, pedal boating, kayaking, rain tree dance, and mist tree activities added to the excitement.

The adventure continued with sports and rope activities, including sky cycling, a zip line, and walking across a glass bridge. We concluded this wonderful day with a delicious team lunch followed by a cheerful cake-cutting ceremony. It was truly a day to relax, connect, and create lasting memories together.

CODE GAME: BUG HUNT

Objective: Spot the bug in the code snippet below. The first to find and correct it wins!

What's wrong with this code?

```
def add_numbers(a, b):  
    return a + b
```

```
result = add_numbers(5)  
print("Result:", result)
```

Find the bug and fix it so the code runs correctly!
